8.

1977-78 was an exciting year at Algonac High. With the passing of the millage, past activities were restored and new activities added to the curriculum.

Spirit is overwhelming with involvement at its highest. The sports program is re-building, regaining the status as *1.

School work is always tough, but with the teachers working hard to provide exciting classes, and always showing their concern for each individual student, achievement becomes reality.

Days at Algonac involve so many ideas.

Spirit soars spirit week begins

Spirit Week at Algonac this year was overwhelming! Throughout the week classes received points for competing in things from hall decorations to cheering at assemblies. At the end of the week, the seniors won the spirit jug with the largest accumulation of points.

Freshmen were initiated by wearing paper plates as haloes. They were not the only strange things that people were wearing. Slaves were running around on things like skateboards and wearing things like tutus. Slaves, members of the varsity sports, were sold to the highest bidder at Wednesday's assembly. Some slaves sold for as much as $29.00.

Balloons and cheers filled the air at the Homecoming assembly. 7. The world has disappeared as Cheri Matese is hypnotized.

5.

4.

Balloons, slaves explode with enthusiasm

Assemblies, Assemblies, etc. . . . During this week there were many activities from Gene Petronie's demonstration of hypnotism to the ever popular slave auction.

Wednesday evening brought the traditional Spirit Week assembly. Students participated in many games and yelling competitions. Spectators saw a mini float parade with the court and their escorts.

Excitement was rising for the Game. The last assembly was held by the cheerleaders on Friday. Everyone was chanting, getting psyched up for the big game. Yellow balloons, sold by B.O.E.C., filled the gym. Cheers continued to rise, louder and louder, causing the sound meter to hit the top.

6.

7.

Everyday halls burst into color

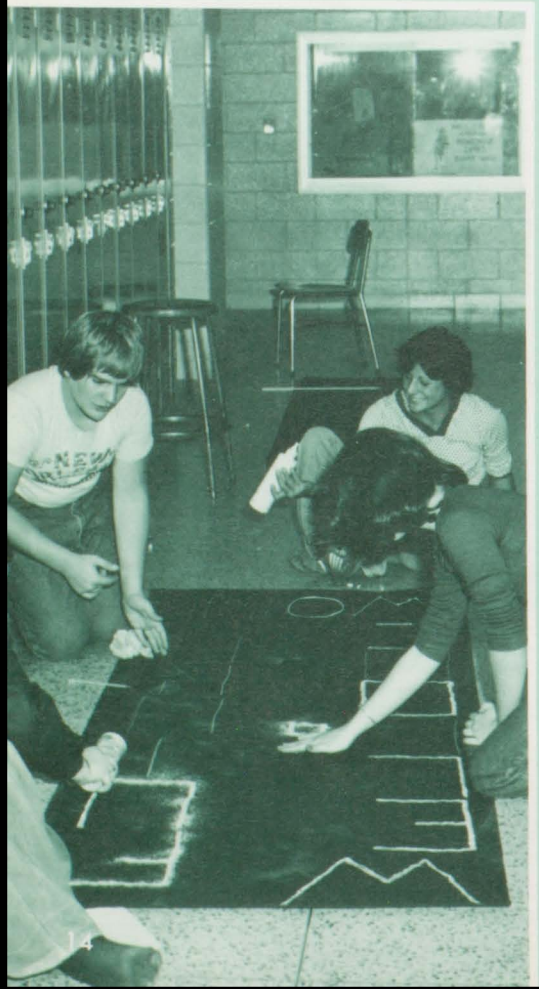

Throughout the week each class decorated their hall according to a theme. The seniors' theme was "Heaven Is . . ." so the hall was filled with things like clouds and a rainbow. Juniors held a Circus World. Animals and clowns greeted you every step down the hall. Sophomores invited you to Future World. Walking through this hall, you may have bumped into a Martian or two. Sesame Street was the Freshman theme. Big Bird and Cookie Monster welcomed visitors.

The halls looked super. Many people spent a lot of time and effort getting their hall into shape. However, Circus World triumphed in the competition with the Juniors taking first place.

A silent hush full over the football field. After a week of waiting, excitement and voting, Mr. Donald Dodge announced the '78 Homecoming Queen — Cheryl Beaulieu. The Queens and their Escorts were shown in floats on Wednesday night at the assembly. Friday, October 14, Cheryl received her crown. At the same time, the attendants and the Alumni representatives were honored.

An Evening to Remember

Memories are made of special times. October 15, 1977 was such an evening. Even though the weather was not pleasing, alumni and students arrived to dance the night away. "Bittersweet" provided fantastic music.

A buffet supper was served, and then everyone worked off their food dancing the rest of the night until exhaustion took its toll.

★DISCOMANIA★

BUMP **SHUFFLE**

BOOGIE

HUSTLE **GROOVE**

The Junior class had a great idea when they thought of having a disco type dance. They got together with a guy named Steve Holmes, who is with Get Down Productions and put together one night of bump, hustle, skip, shuffle, and just plain boogieing. There was a good turnout with all profits going towards the Junior class Prom.

. . . and the band plays on

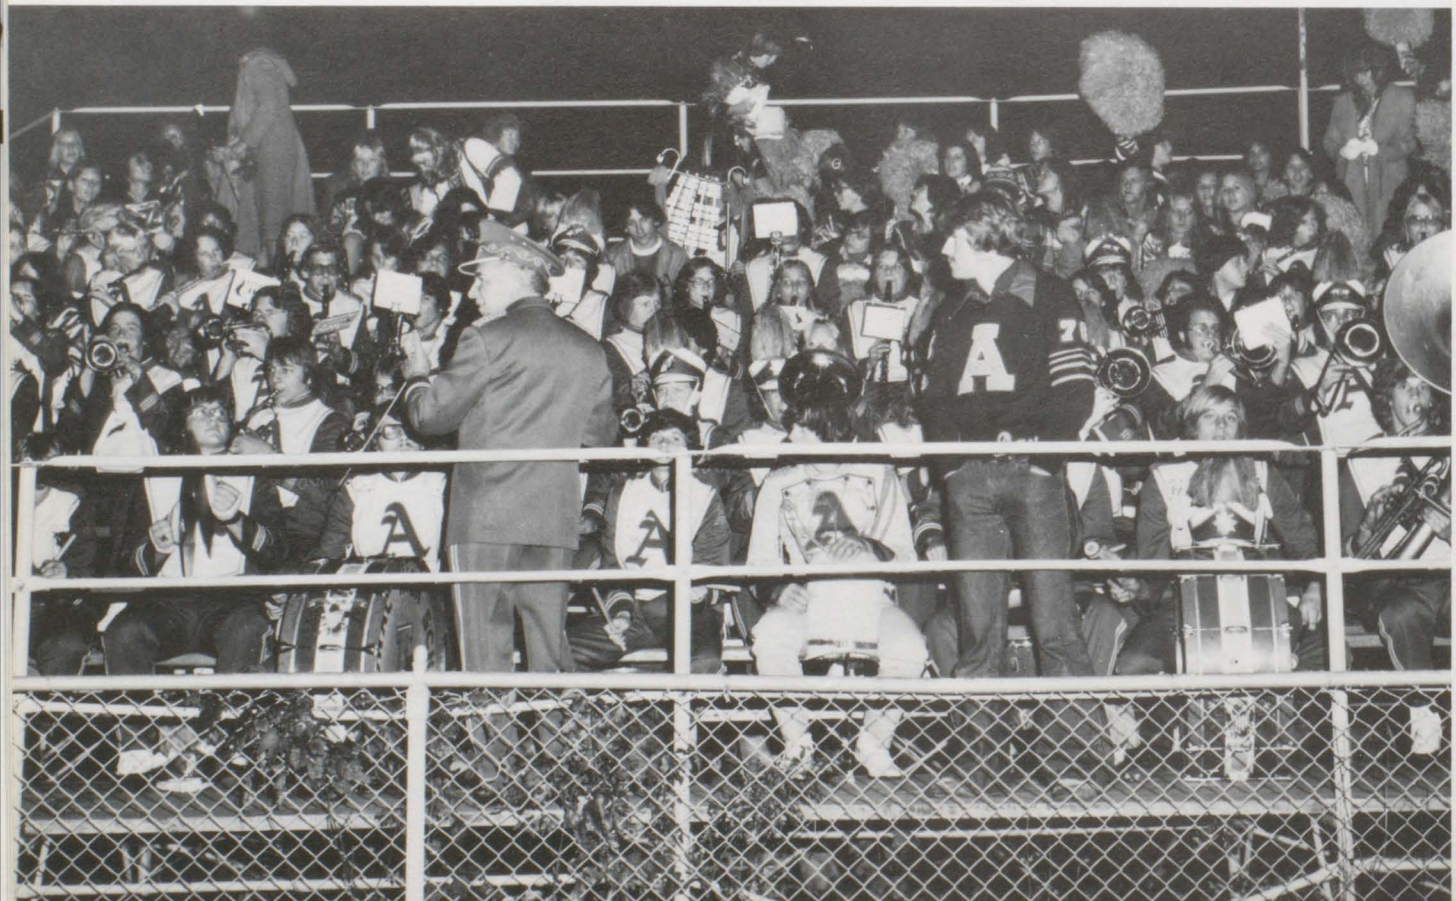

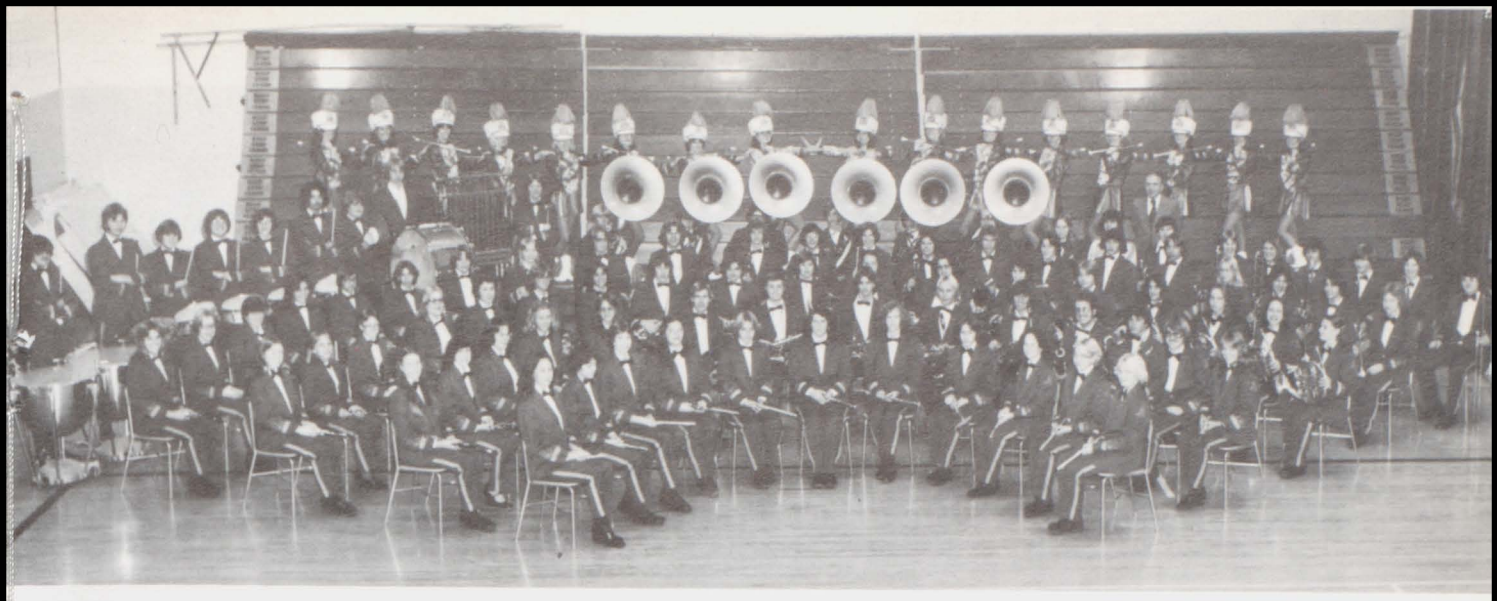

In July, 1977, Algonac's band returned from a triumphant competition in New Orleans taking a third place. The majorettes ranked first in this competition. The ever-active band returned just in time to play in the Pickeral Tournament.

This fall, after two years, the band returned to the football field to play pre-game and half-time routines. For the course of the five home games the majorettes and precisionettes both had a night to do their own special routines alone, with the band.

Another fall activity is the annual candy sale. All profits are put in the treasury and is used to purchase equipment and for the band to attend special events.

Over all, band spirit has been high and will continue to grow as the band marches to more victories in the music world.

Precisionettes, Majorettes, provide spectacular routines at games

The Canadian Lions were royally entertained by the Stage Band, Majorettes, and Precisionettes at the Bourbon Street Hotel in the French Quarter of New Orleans. This was part of the summer of '77 Band trip.

Precisionettes and majorettes add to entertainment at football games through their artistic movements with batons and pom poms.

STAGE BAND — **Front Row:** Kevin Myny, Brian Peterson, Mr. Appleman, Troy Shagena, Sue Warner. **Second Row:** Bea Garshott, Garth Houston, Mark Schulte, Scott Logan, Joe Tucker, Ann Nugent, William MacDonald, Dave Farr, Tom Mihelich, Jim Potter. **Back Row:** Bill Sneath, Gary Meldrum, Bill Brady.

Musical magic

During fourth hour every day the eighteen members of the Taft Road Jazz Society meet to probe into the world of jazz and swing style music.

Four of the musicians, Ann Nugent, William MacDonald, and Sue Warner, attended summer music camps by winning scholarships. Joe Tucker achieved the outstanding musician award at Blue Lake Fine Arts Music Camp.

Activities this year include Mayor Exchange Day, Spring Concert, Pickeral Tournament, and other guest appearances on request.

1. The Majorettes perform their new routine. 2. Troy Shagena plays away on his Sax. 3. Scott Logan, Ann Nugent, Mark Schulte, Garth Houston mute their trumpet for a special effect.

Student Council is functioning at its fullest again. Students involved in Student Council get a taste of what it is like to organize and prepare for activities outside the classroom.

A few of the activities are: Student-Faculty Board, dances, Spirit Week, and the coordinating of individual class activities. It is like the control center of all the activities at Algonac High.

The Student Council would like to offer their thanks to the office for all of the help they have given them, and a special thanks to Mr. Ronald Trumble, Advisor, for his many hours of help and guidance.

2.

1. Karen Senkmajor has shown strong leadership. 2. St. Council is the tie between the community and the students. 3. People are encouraged to express how they feel at meetings. 4. Mr. Trumble gives Karen some important information. 5. Jim Schudlich and Jeff Stoner add some new ideas for an upcoming assembly. 6. "Now this trick does work 9 times out of 10, Dennis Harlan guarantees.

B.O.E.C. rocks its way to SUCCESS

The first B.O.E.C. chapter at Algonac High began with a bang. Last October, the B.O.E.C. members held a rock-a-thon where the girls rocked for 24 hours. They made over $3,000 and donated this money to the Special Olympics. The club also held a balloon sale during Spirit Week, a kissing booth, a pumpkin raffle and a turkey raffle.

The B.O.E.C. members learn to sharpen their skills in business related courses and learn to use these skills under pressure. "Being that I am going into a business field, the opportunities that this business club offers will help me immensely," (Nadine Davis).

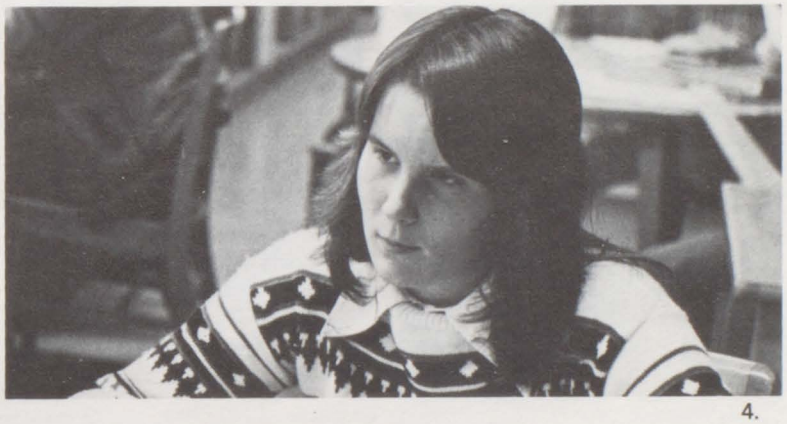

Ms. Jones began the Algonac B.O.E.C. last spring. She believes participation in the club's activities encourages extra meaning and enthusiasm.

YEARBOOK CREATES MEMORIES

The '78 Algonquin staff was one of the largest in years. With Debbie Nienhaus and Rachelle Welchko as co-editors, this staff began the long process of publishing this book. At times it seemed impossible, but each staff member worked to create vibrant layouts and add many new things to the book.

When mid-February arrived, the staff breathed a sigh of relief. For each one, there was a feeling of accomplishment along with the knowledge that the 77-78 book was one of the best in this school's history.

Bottom Row: Jo-Anne Hudgens, Cindy Gohl, Richard French, Kevin Batchelder, Laura Herfert, Kathy Landsberg. **Second Row:** Kelly Blanck, Nancy Mann, Jim Potter, Lisa Schulte, Jane Bonenberger, Annette Poole. **Third Row:** Debbie Nienhaus, Greggory Hubbarth, Gail Dysarczyk, Theresa Klix, Carolyn Hewitt, Annette O'Rourke. **Fourth Row:** Rachelle Welchko, Miss Broeder (Advisor), Brenda Hoover, Christy Gelsavage, Lynn Williams.

Chess is the most complex of all games, a form of intellectual gymnastics. Its contenders must examine every move. One mistake and the tide turns in your opponent's favor.

A game of chess is a miniature war between armies of Pawns, Rooks, Bishops, Knights and Queens. You are the commander of an army — the object is to win the war — not the battle.

There are 20 members in this club and they meet twice a week. Their president is Karl M. Mohnke, a foreign exchange student from Germany. Stanley Kuzdzal and James Trotter sponsor this club because of their love of the game and the desire to challenge others on an intellectual level.

FOREIGN EXCHANGE STUDENTS LIKE ALGONAC

Haruyo Hirai, Japan, 12th

"I still can't believe I'm in America. I've been dreaming to come here for a long time. Spirit week many people dressed up as they were not at school. In Japan, school is for studying hard. They do have a spirit week and don't study at all during that week.

I think now I know two kinds of school lives and each has good points. The most important thing is friends. Thanks everyone."

Carmen Najerra, Acapulco, Mexico, 12th

"I like Algonac and I like the people. Algonac is very different from Acapulco. The climate is very different. School is different because here we can choose subjects and at home we can't.

Santuzza Pinto, Brazil, 10th

"I like Algonac very much. It's different. I like the teachers, too, all of them." She also likes the people.

Santuzza likes to take pictures, loves swimming, and is anxious for summer.

In her country, they can not make a choice of subjects. They have only warm weather and no snow.

Karl Michael Mohnke, West Germany, 11th grade

"I really like the people a lot, they're all really friendly. He likes the area , the surroundings and the water.

Algonac is a nice little town and is quiet. Karl's home town has about 1,000 people. "At home there are more things to do. I like most of the students and teachers."

ODDS & ENDS

4.

5.

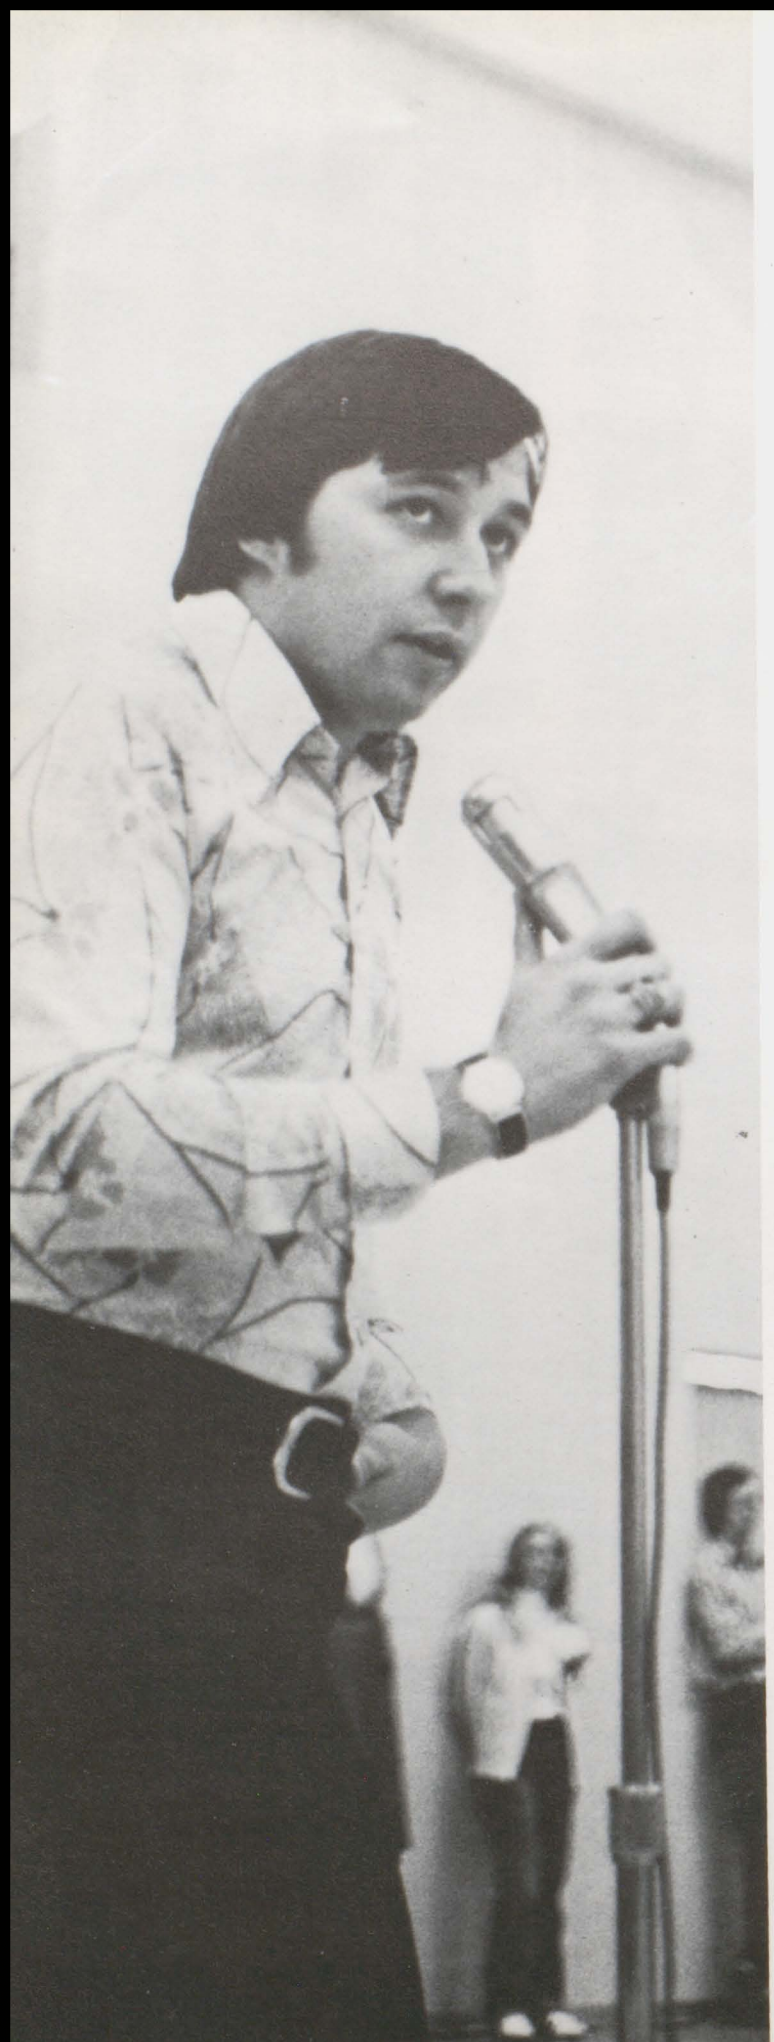

6.

1. Lisa Roehrig and Cindy Bowerson sing the message on the telegram. 2. Teri Mackey debuts in the Science classes on Valentine morning.

3. Diane Delonney and Teresa Moran look amazed at the B.O.E.C. Luv-a-gram. 4. Jerry Braun puts a lot of emotion in playing a sad clown for speech class. 5. Scott Highstreet has a short sense of humor. 6. Cheryl Hintze brought flowers and best wishes to some lucky girl.

1.

2.

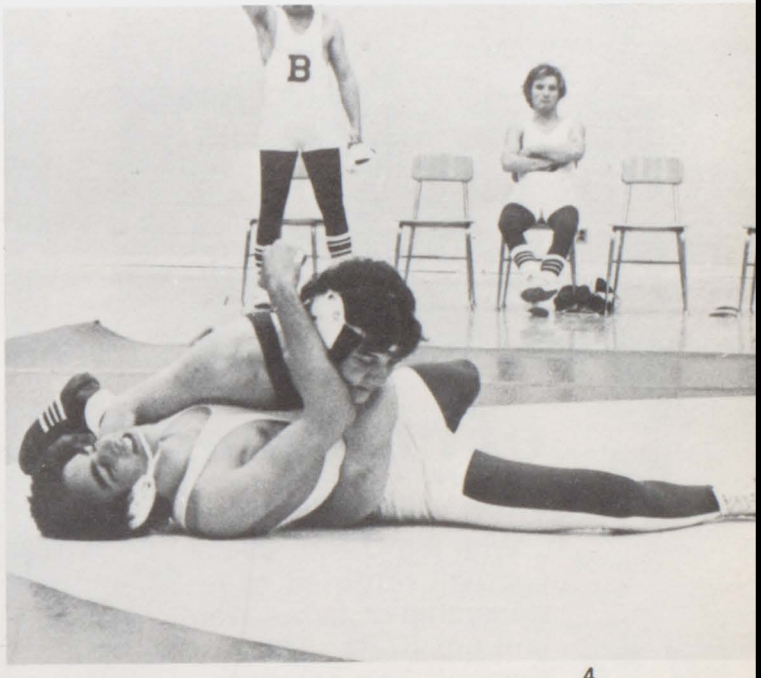

1. Mr. Pius, athletic director, encourages the student body to come out to the game. 2. Kevin Kensora leaps to score two points for the Muskrats. 3. Varsity football players run out to the field to warm-up before the game. 4. Bob Giamportone chalks up another pin.

This year Algonac was fortunate enough to get all of sports back (along with all the other goodies that we are thankful for). Being able to go to a football game, read how the Muskrats were doing in the newspaper or participate in a favorite sport is something that a high school student should not have to go without.

Algonac is again on its way to becoming a very competitive school. The students have shown enthusiasm that could last for years.

Varsity rebuilds through season of challenges

With the '77-78 school year, Varsity Football returned to AHS under the leadership of James Ward, assisted by William Koltz. The team has gone through a rebuilding program. Although the win-loss record was not its best, the team constantly continued to build strength.

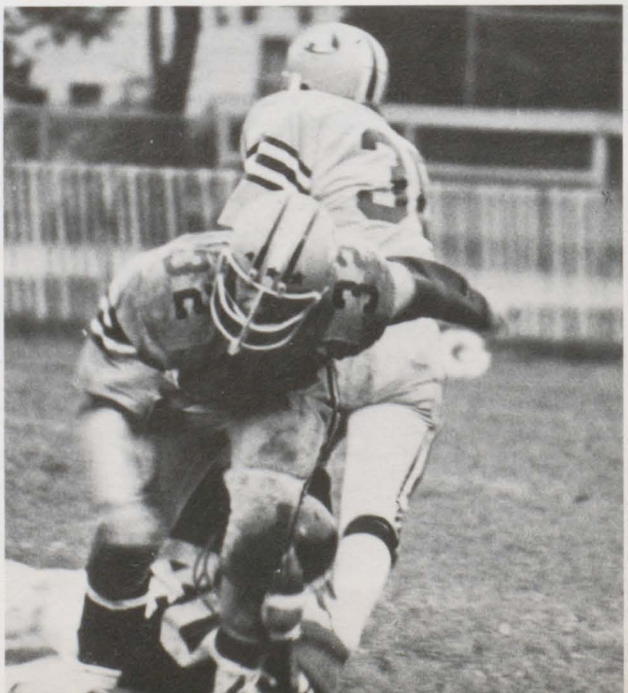

Coach Ward found the senior leadership important. "They did a good job of setting example and pace." The main problem was "a lack of experience. Everyone gave all they could give."

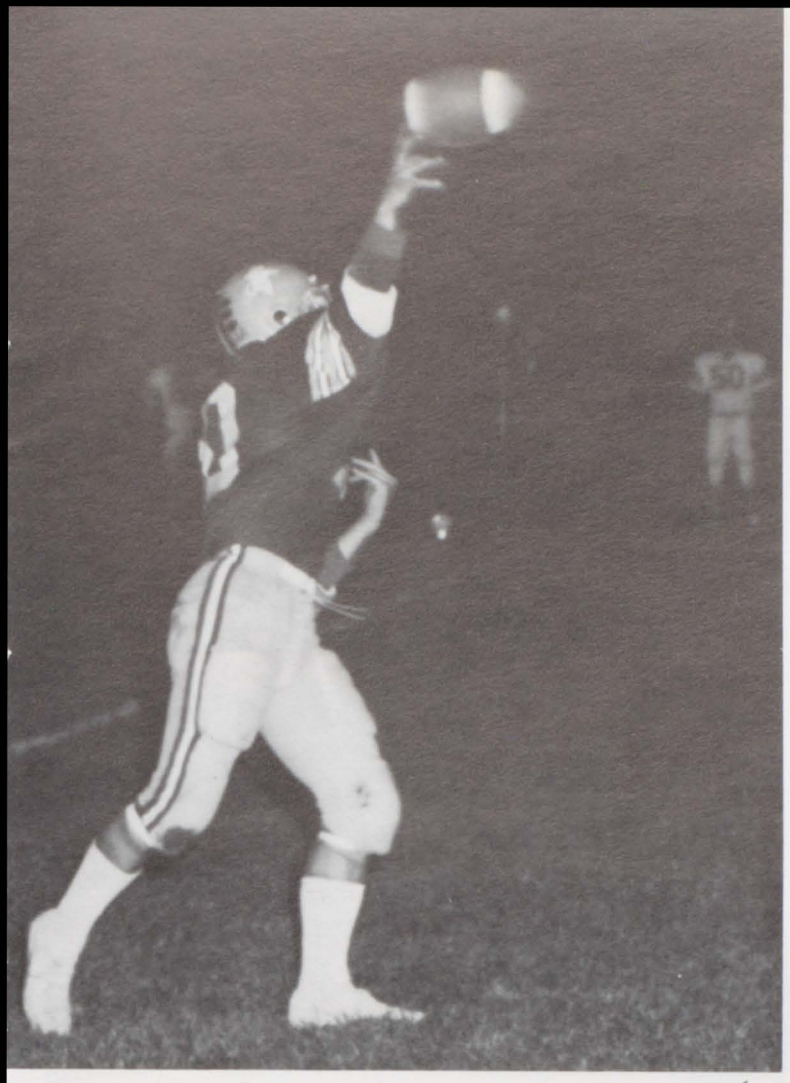

Student reaction also reflected this view. "Not having sports last year hurt us. The team is much better now than it was in the beginning of the year." (Tim Soullier)

J.V. improves during tough season

1.

Even with the lack of experience, the J.V. team scored an impressive season. "They improved with each game," commented Mr. Wight, coach. The team was also coached by Mr. Shafer. Each team member played hard and showed good effort.

The team met strong opposition in league and non league games. They scored wins against Ypsilanti and Marine City, tying Cros-Lex.

With the strength of the team, the future looks bright. "J.V. has been a learning experience," according to Russ Witherspoon. Dennis Seaman, felt that hard work pays off. "The team will have enough experience to take the championship next year."

Injuries hamper freshman team after strong start

The Freshman team started out strong and looked as though they might be the top scorers for the season. However, during the latter part of the season they encountered defeat against three strong conference schools. Many injuries and a lack of people, according to Coach Trotter seemed to be the downfall of the team.

With the potential of strength, and talent, this team should be very successful in Junior Varsity competition. "Overall the teamwork shown by the players will lead them to the top in the future." (Glenn Welland)

TEAM EFFORT *Achieves more*

The girls varsity basketball team's season came back this year with great success. A 13-6 record, which gave the basketball team a 70-16 record over four years. We were fortunate to have Gigi Yax back at Algonac to keep the good ole' team that we once had before. "I think this team played to their potential better than any team at Algonac so far," said Coach Greenwood. The only way to play is to play to the best of your own ability and to play now, not say I could have.

We won all games except two, against Port Huron Central, which put us in second place. The District Tournaments took place at Marine City High School this year. Gigi Yax made first team All league, Lori Warner made second and Gretchen Mueller made honorable mention.

JV girls basketball bounces into action

This year's Girls JV team organized under the direction of Mrs. Mary Robertson, developed skills that will be of benefit for the girls as they progress on to the varsity squad.

"We had a team that had never played competitively prior to this season," said Coach Robertson. Considering this, the team showed great spirit despite a very rough season. Good defense and excellent hustle were evident in all games.

At the last league game, the team achieved an especially happy win over Port Huron Central.

Varsity puts forth unending effort

The Varsity Basketball season was successful in that they were in the fight for the S.C.A.L. Championship into the last part of the season. The desire to win was their biggest strength. The team never gave up. It was hustle all the time!

The first St. Clair game was tough, because they came back from a ten point defeat to win in overtime. Orchard Lake St. Mary was a tough game too. With good shooters and hustle, the team showed great effort to win. Jim Sauber was the only varsity letterman returning after the one year lay-off.

Lack of experience caused the team to learn to play the game as they went along. They did not always react to a situation like an experienced team would.

Team shows promise on the courts

The Junior Varsity Basketball team could have possibly been a dominant force in the St. Clair County Area League this season, but unfortunately were held in check by their lack of experience from the past year. There seemed to be quite a lot of talent, but without that needed experience they just could not bring the whole thing together.

According to Coach Kjolhede, "This year has been a learning year for the team, and I predict that with the experience we gained this year we should have a tough team next year."

Rookie dribblers grow during season

The Freshman Basketball Team had a rough season. They won one game against Cros-Lex, and played an excellent game against Armada. "Everyone worked together as a team but they still need more work," according to Mr. Koltz. "Our losses were due to the lack of practice and experience," Gino Petrovich said. "In the long run our team improved as the year went on. We began pressing the ball down the court with much more speed," Kevin Rausch stated.

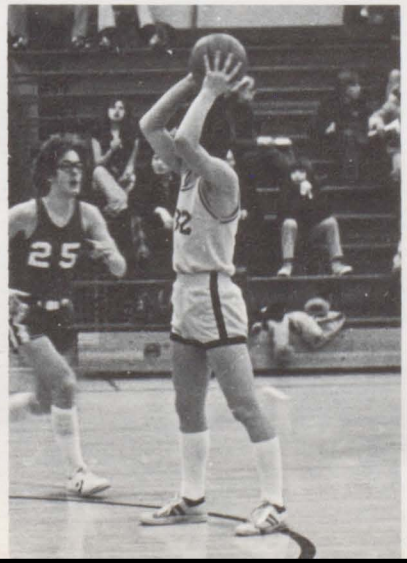

After this year of practice we should see some improvement and new strategy in these guys in the seasons to come.

Field Hockey returns with varsity, JV status

FIELD HOCKEY

Field Hockey has been a favorite sport for AHS girls since 1965. This year field hockey took a giant step forward being approved as Varsity and JV.

The girls played seven games mostly against private schools in the suburban areas. None of these games were played at home due to late scheduling problems. This became a great experience to see other schools and their facilities.

Considering that not one girl had played a regular field hockey game, this year's team played exceptionally well, improving their skills with each game.

A tradition began on October 30, 1977 when AHS held its first Annual Field Hockey Alumni Game. Twenty young women from previous teams played this year's squad. At the end of the game the score was tied 2-2, which seemed a perfect ending to a beautiful season.

Swinging action

Golf is a tough and challenging sport. It takes constant effort to be really prepared for league matches. The AHS team put out this effort, but the lack of experience hurt them. The team is mostly freshmen and sophomores. "The boys on the team had little experience in Golf competition. With the background of this year, there will be an improvement next year." (Coach Duva)

Algonac tackles trails once again

Algonac's Cross Country team had an active season. Under Coach Roger Avers they competed in the SCAL League finishing third. Tim Wood broke the school varsity record for 3 miles in 16:02.

"The improvement of all runners was the big story this year. Most of them had never run more than 1 mile at one time. Fourteen of them were able to run 3 miles in competition, averaging 6:30 a mile. (Coach Avers)

Algonac's Varsity Volleyball T-E-A-M works well together, are very coachable and have a good time together. Everyone has made a great effort to keep improving.

We seemed to play the best and toughest against Marysville — losing the first game in two overtimes and winning the second in two games. The teams goal is to be tough in the tournaments.

Judy Souliere is a valuable player whom the team missed the last third of the season due to illness. "Our eight graduating seniors have made a great contribution to A.H.S. Volleyball. We will miss them, thank them, and hope they will be back to see us," says Mrs. "E."

Working together, helping each other, and never giving up was their secret for the victorious season.

Terrific, super, fantastic . . . adjectives that just begin to describe the winning wrestling teams. J.V. were league champions with ten wins, one loss and one tie. Five wrestlers went to the championship: Rick Anderson, Dale Marten, Carl Steiler, Jeff Sadlowski and Tom Cooney.

Overall, their only problem was that they needed one more person to make a full team, however, they were one of the largest in the league.

Algonac remains a strong school in the S.C.A.L. due to the strong and expert coaching of Mr. Wight. He inspires quality, enthusiasm and excellence in his wrestlers.

Wrestlers wrangle to number one title

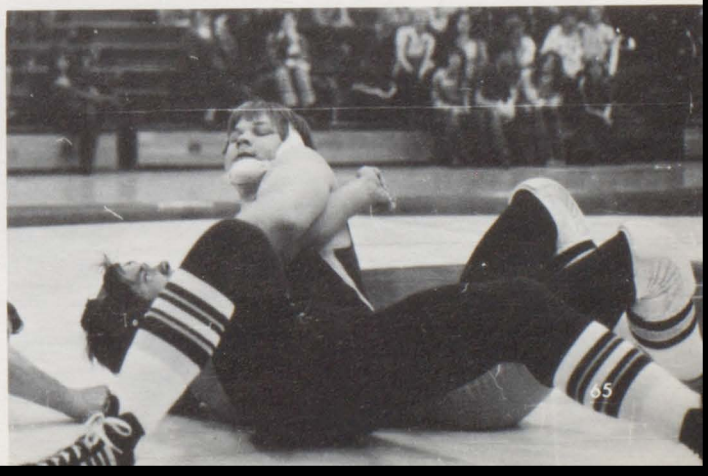

According to Mr. Wight, coach, "The Varsity team worked hard and that paid off in VICTORIES." Outstanding describes this wrestling season. Seems every day the P.A. contained announcements of another success in league and non-league meets.

The team had eleven members returning from previous years. There were good wrestlers in every weight class which was to their advantage. The wrestlers are league champs and district champs. They won 17 dual meets and lost one to New Boston Huron, State champions. They ended with five wins out of seven in the tournaments.

AHS cheerleaders lead: Go Blue!!!

Spirit, pride and enthusiasm are only part of what AHS Cheerleaders are about.

Under the direction of Sue Koskela (Varsity), Cathy Rivett (J.V.), and Denise Grobe (Freshman), the girls yelled, screamed and jumped their way into a year of skits, pom pom routines, and great pep assemblies.

Algonac's football cheerleaders went to camp at Oakland University and found many new ideas for the season's activities.

Along with many hours of practice, they worked at car washes and other activities to raise money for new uniforms.

The Cheerleaders of AHS supported their teams through defeats and cheered them on to victory.

District leaders provide guidance

1977-78 has been an exciting year for Mr. Caimi and Mr. Hollway and the members of the Algonac School Board, Design plans were finalized for the new junior high school and the building program begun.

More activities and classes brought more teachers to the school district along with new programs to be cleared by the Board. New textbooks for Basic Math and French were adopted, along with new Art classes and the Consumer Education class. Another new program, the secondary Reading Lab is in active operation.

Adult education is also very active with over 300 people involved in programs.

Administrators inspire strength

Running a large school is a continual job. Mr. Ford, Principal, and Mr. Tobias, assistant Principal, work to keep all moving smoothly.

Both Mr. Ford and Mr. Tobias feel that the most significant changes this year are the six hour day, the reinstatement of programs, and the new staff. There are also new programs including B.O.E.C., Reading, and more choices of classes. The most outstanding change this year is the interest and enthusiasm for going to school. There is also a change in the community's attitude.

Looking to the future, Mr. Tobias wishes to see continual changes in curriculum including advanced placement classes. Mr. Ford wishes to continue to push students to do their academic best. He also sees a need in terms of expanding girls' varsity sports.

Experiments, library research, analysis, dramatizations, demonstrations, visual aids, special timely units, such as snowmobile safety, lectures . . . are only a few of the methods used by teachers.

Walk through the halls and you'll observe students actively involved in this learning process. Their education is important to them. Through their participation in class, everyone works together to make the learning experience at AHS one of the best in the county.

Faculty lead assemblies

Faculty contributions to AHS are numerous. To adequately cover each faculty member's involvement would require a separate book. They give quietly, without recognition — yet it is evident to each student here — that people care.

Individual faculty members sponsor groups and coach teams. They help create the vitality of the 1977-78 school year. In the spring and fall the outside areas are filled with students practicing. The gym is constantly in use from basketball to volleyball to wrestling.

Throughout the school activities continued. Classes worked hard to raise funds for activities as well as provide social happenings in the school. Faculty advisers worked closely with the groups from spending a Saturday morning helping clean the field to counting the multitude of money that comes in through fund raising.

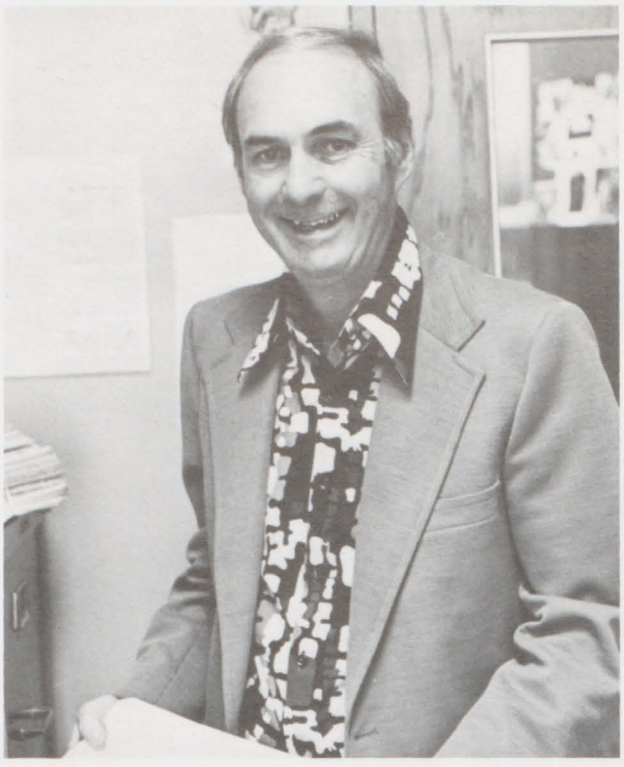

Clubs were ever active. Each afternoon, the 2:15 bell sent many groups into action.

Counselors find

ANSWERS

How do I possibly fit all of those classes in before I graduate? Where can I find college information? How do I get on the co-op program? What does the Skill Center offer for me? How can I make up credits? These and many more questions are easily answered by Algonac's counseling staff.

Whatever the question or concern, Mr. McLeod, Mrs. Streit and Mr. Cvengros are always ready to help. Their understanding and advice makes even the largest problem seem small.

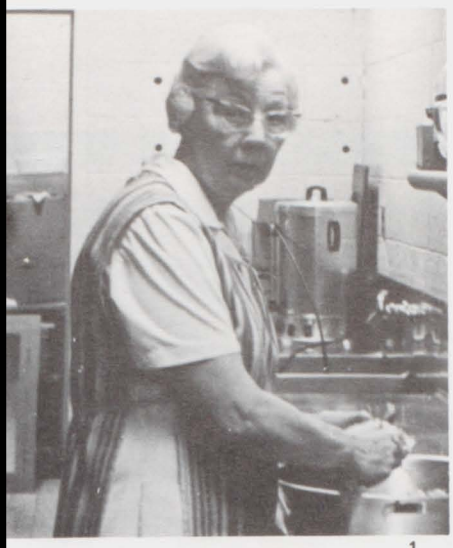

1. Mr. McLeod pulls a file of college testing material. 2. Now, what can I help you with . . .? asks Mrs. Streit. 3. Mr. Cvengros searches through the files for job information.

Service with a smile

There are many people who work behind the scene at Algonac High who keep our school in shape. These people are much needed and we would like to thank them for a job well done.

2.

1. Gail Hamlin and Ginger Yonica take a stroll at lunchtime. 2. "It's great being in high school," says Mark Hussey. 3. "Go Algonac!" 4. What would you like help with Mr. Miller asks Patti Sullivan.

Whether wearing freshman haloes or green cap and gowns, people are the important elements at AHS. Students are proud to be a part of this school. They are constantly involved in their classes and activities.

Friendships continue to grow and deepen during high school days. Life keeps revolving around us, so keep the spirit and the good news going and going.

Seniors — memories good times new beginnings

Senior year, it is a time in life where you're boss of the underclassmen, but then, before you know it, you must become a boss of the world. During your senior year, your days are long, anxiously awaiting graduation, but other days are full of laughs and special moments that you will never forget. Passing out senior pictures is like giving a piece of yourself to the world and saying "Look, I'm a Senior," and isn't it great!

POLITICS

Ms. Shag's government classes had Senior Presidential Elections this year. Everyone worked very hard making posters, baking goods, blowing up balloons and having raffles. The candidates from both political parties, made up speeches and answered questions that the press asked. The press was made up of about four people from each government class who were not prejudiced against any candidates and had to put out a paper to explain the candidates' feelings on each important issue.

All in all, everyone worked hard and had a lot of fun!!

Butterflies are free . . .

This class of 1978 would like to dedicate this edition of the Algonquin to Brenda Beaver. Brenda's presence was strongly felt throughout our high school days. Brenda was the kind of person who liked to help her friends and all those who she came in contact with.

Brenda, in her Junior year, started the struggle with cancer. Soon in April she was sent to the hospital only to find she could not fight it. On June 3, 1977 Brenda's fight was over.

Although Brenda is no longer with us we will always feel her presence and we will always know that Brenda was a part of all our lives.

Although she is not with us on earth, we will some day see her again in eternity.

and now so is Brenda

If there ever was a person so kind and good it was she. If there ever was a heart to be opened up, she held the key. If a person was down she'd brighten their day by wearing that big smile. And if she got mad, she would always come through, and be laughing after a while. She held her heart so close to God, that I'm sure he could plainly see. And even though she's left us all, she's taken a part of me. We all loved her, and it's sad to see her go. But I know I'll see her someday, when it's my time to go.: Nadine Davis Memorial to Brenda Beaver. Young and vital, exceptionally nice. A Sunday school teacher, a child of Christ. Left a tightly knit group of family and friends to weep and to grieve, and try to smile again.: Theresa Klix

Juniors score super success

As the up and coming class of '79, the Juniors have so far had a rather successful year. Through hard work by many Juniors, they were able to win the hall decorating and float decorating contests and also the pep battle for points between classes. For their determination the Juniors placed second in the overall competition.

They were also involved with many other activities. Some of these included selling pumpkins for Halloween, raffling off the giant stuffed bear during Spirit Week and a Gift certificate to the Bavarian Village Ski Shop.

Juniors also sponsored dances. On January 21, there was the first Disco dance and then the Prom in April. According to Lori Grote, President, "We've done a really good job this year, and next year will be even better."

FRESHMEN

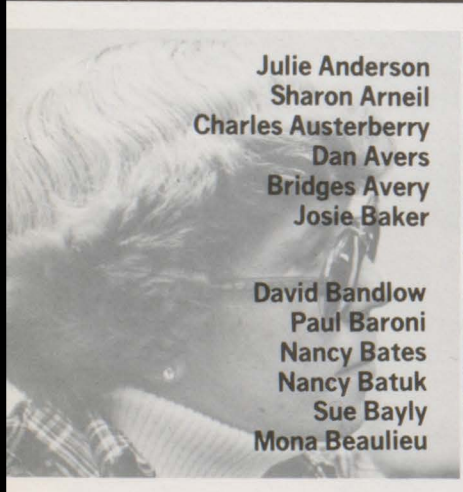

begin high school days

Being a Freshman in High School is a big experience. You know a lot more people and do a lot of new things. You can take a lot of different classes too. In this school you really have a lot more responsibility that you don't mind taking because they are all fun.

Being the youngest people in school is really a lot more fun than you would think. Many activities have kept us busy this year including roller skating, selling class pins, flowers for Valentine's Day, a Donut sales and a 50=50 raffle.

THANKS!

Adviser: Ms. Ruth Broeder

Co-editors: Rachelle Welchko, Debbie Nienhaus

Photographers: Kevin Batchelder, Greg Hubbarth, and Jim Potter

SPECIAL THANKS TO: Adviser Miss Broeder.

The staff would like to express our greatest thanks to Miss Broeder, our new and terrific advisor, who has brought many new ideas and approaches in completing this yearbook. She is fantastic to work with and to know!

Two years ago, all the editors wanted us to do was run errands, proofread copy, think of creative cutlines and all the little "odds and ends" that help the editors. Now, after two years, we have worked our way up to co-editors.

The editors job is to create the outline of the book, build a staff, train the staff, keep the violence down at deadlines, and add the finishing touches to pages before mailing. We will never forget the temporary insanity we felt as a deadline passed.

We see that there is an abundance of talent in the staff this year. We hope people on the staff, by forcing them to do little odds and ends for us, will someday, somewhere, somehow find yearbook as much of a rewarding experience as we have.

ACKNOWLEDGEMENTS:
Sam Slis, Taylor Publishing Company
Frank Storer, Storer-Spellman Studios
Larry Dodge, art work p. 113
Craine's Studios for cover
Office staff and secretaries
The faculty for being so understanding about interruptions.
Mr. Ford and Mr. Tobias for putting up with our demands and to Ms. Arbron for living with our junk all year.
